Spring Issue

April 2014

Greetings! We hope you are doing well after a nice spring break!

This semester we have 230 students attending 18 universities, with total funding of \$657,800. Congratulations to those scholars who made the Dean's List, Honor Roll, and all A's during the fall semester. Keep up the good work!

For some of you, the semester may have not gone as well as you had planned but this is why we have a policy of paying regular stipends to scholars on probation, to allow students the chance to get back on track, both personally and scholastically.

We are proud of each of you and wish you the best of luck on your final exams. Please call or e-mail me if you have any questions or special needs.

Sincerely,
Cynde Zietlow
Executive Director

Pass It On

A few students over the years have inquired as to the possibility of "giving something back" to the Endowment to be spread among new scholars as they embark on the trail you have blazed. After you have graduated and become established in your career, we welcome any donation, whether it be a one-time, annual, or estate gift. Please contact us if you are interested in helping to keep the funding going...

Renewal Update

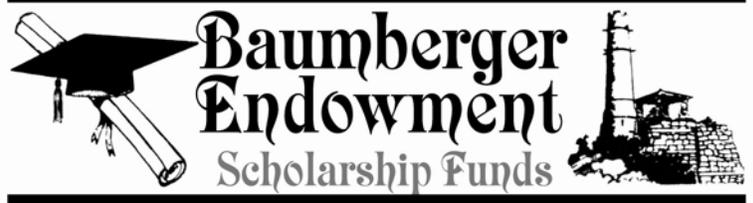

Renewal Agreements for 2014-15 will be sent in May 2014 to Scholars who are making satisfactory progress under the "Conditions of Agreement" and have remaining eligibility under the Baumberger Scholarship program. **The Renewal Agreement, along with necessary authorization forms, must be received by Baumberger on or before June 1, 2014.** **Fall 2014 checks will be mailed to your school around August 1.**

Study Abroad

Several students have inquired about study abroad programs. If you are contemplating studying abroad, you **MUST** discuss this with the Executive Director before participating or risk losing your scholarship.
